

of the State Democratic Committee to be held in Richmond on Tuesday, August 31, to canvass the vote in the recent State primary. One of the great points of criticism of the primary has been the delay in securing accurate returns, especially in the Brown-Kolmer fight, which no one believed would be so close, and on which many districts, interested only in the governorship and legislative results, were slow to compile returns. The question of primary or convention returns was barely touched upon in the conference, all of the leaders recognizing the primary as a step in the natural line of progress. It is understood that Speaker Byrd is preparing a bill to be introduced in the next Legislature a bill for a legalized primary, which will correct many of the defects so far discovered in the system, and which is understood to have the support of Democratic leaders of the State.

While liquor legislation was not a topic for general discussion at yesterday's conference, Speaker Byrd last night authorized the statement that there would be no primary or convention legislation at this session of the General Assembly.

There are some defects in the Byrd bill which have been brought out by experience, and which are to be corrected in the next Legislature. The bill is to be introduced in the Senate and held doubtful both by the courts and in practice, which are to be corrected or eliminated, but these are matters of minor detail. The bill will be introduced before the next Legislature.

Mr. Byrd added that the next session would be a most important one in many respects, and that he expected to see every one of the many of his old friends to be re-elected, and over the number of vacancies in important chairmanships.

Gayle for State Senate.

It developed in the conference yesterday that Sands Gayle, of Buckingham, will have the support of the organization for State Senator from the district formerly represented by the late William C. White, of Buckingham.

A convention has been called to meet at Appomattox Courthouse on September 13, to nominate a candidate to succeed Senator White. The district is composed of the counties of Appomattox, Charlotte, Fluvanna and Buckingham. While it is probable that other candidates will be in the field, it looks now as if Mr. Gayle has the inside track, in view of the fact that he has many of the endorsements of the organization of clerks of the House, and that he, of course, did not dispute the right of any one to run for the place, as it did not belong to him. At the same time he declared that he felt sure of his re-election, and that he was already nominated by the Democrats for the House had pledged themselves to vote for him. Mr. Williams has the earnest backing of some of the ablest party leaders in the State, and it is expected that he will be re-nominated for the position he has held for many years.

Senator Martin was never in finer spirits than when he left the lobby of the hotel for his home. He is assured that the Democrats would win a sweeping victory, carrying the Legislature, as well as the entire State ticket.

CLOTHIER AGAIN REACHES FINALS IN EASY FASHION

Long-Armed Philadelphian Will To-Day Go Against Young Pacific Coast Champion.

NEWPORT, R. I., August 25.—For the fourth time in his lawn tennis career, William J. Clothier, of Philadelphia, has reached the final round of the national tournament on the Newport Casino courts, by virtue of his victory over Francis C. Bundy, of Los Angeles, in the semi-finals to-day, three sets to one.

In 1903 Clothier was the runner-up in the Newport event, having been defeated in the final by H. L. Doherty, the Englishman, who was the following year he reached the same stage, only to be defeated by Holcombe Ward. In 1906 he defeated Karl Behr in the final round, and won the championship from Beals C. Wright in the challenge round. From the outset, it had been expected that he would come safely through to the finals this year, the only real uncertainty being over his match with Behr in the fifth round, which proved an easy one for the former champion.

Meantime there has arisen a new figure among the premier tennis players of the country in the person of M. E. McLoughlin, the young Pacific coast champion, who has not yet attained his majority, and it is he who will match his skill against the long-armed Philadelphian to-morrow.

McLoughlin won from Tushnet in the semi-finals to-day by three sets to one.

Neither Clothier nor McLoughlin was very hard pushed to-day. Clothier won by his good judgment and remarkable steadiness, while McLoughlin was far too speedy for the versatile Touchard.

A Pitchers' Battle.
[Special to The Times-Dispatch.]
WINCHESTER, VA., August 25.—Winchester defeated the Pittsburgh Collegians at Reservoir Park this afternoon, 3 to 1.

The contest was a pitchers' battle between Brooks and Schultz, with honors about even; for while the latter held the locals to two hits, he issued four passes, two of which developed into runs. Brooks held the visitors to four singles, and would have scored a shut-out but for Brown's fumble.

Cy McDonald is expected to rejoin the locals in to-morrow's game against Frederick.

Batteries: Winchester, Brooks and Duffy; Collegians, Schultz and Retzold.

Umpire Again in Trouble.
COLUMBIA, S. C., August 25.—The game between Knoxville and Columbia to-day was called before the required number of innings to constitute a game had been played. Knoxville had scored three runs and Columbia had three men on bases with one out when the game was called. Umpire Gifford was again in trouble to-day, caused by remarks he addressed to the grandstand, by policemen, but later returned, and the game was resumed.

Moore Gets Revenge.
NEW YORK, August 25.—Paul Moore, of Philadelphia, had revenge to-night for his latest defeat at the hands of the Brooklyn Dodgers. The Brooklyn Dodgers won ten rounds at the Sherry Athletic Club. Had there been a decision, it must have gone to Moore.

To Have Trolley Line.
[Special to The Times-Dispatch.]
ASHEVILLE, N. C., August 25.—The town of Hendersonville is surveying a route for its proposed trolley line, the franchise for which was granted a few days ago to H. S. Anderson. The route includes a belt line about ten miles in length, running through the three parks and the principal parts of the town. Work will begin as soon as the survey is completed and the route definitely agreed on.

NATURE'S PERFECT TONIC

Something more than an ordinary tonic is required to restore health to a weakened, run-down system; the medicine must possess blood-purifying properties as well, because the weakness and impurity of the circulation is responsible for the poor physical condition. The blood does not contain the necessary quantity of rich, red corpuscles, and is therefore a weak, watery stream which cannot afford sufficient nourishment to sustain the system in ordinary health. A poorly nourished body cannot resist disease, and this explains why so many persons are attacked by a spell of sickness when the use of a good tonic would have prevented the trouble. In S. S. S. will be found both blood-cleansing and tonic qualities combined. It builds up weak constitutions by removing all impurities and germs from the blood, thus supplying a certain means for restoring strength and invigorating the system. The healthful, vegetable ingredients of which S. S. S. is composed make it splendidly fitted to the needs of those systems which are delicate from any cause. It is Nature's Perfect Tonic, free from all harmful minerals, a safe and pleasant acting medicine for persons of every age. S. S. S. is a body of that tried, worn-out feeling so common this season, improves the appetite and digestion, tones up the stomach, acts with pleasing effects on the nervous system, and relieves every portion of the body.

INCUBATOR BABY IN CARE OF CLERK

Order Is Given for Temporary Care of Kidnapped Child.

OTHER ISSUES DEFERRED

Habeas Corpus Proceedings Now Await Action of Governor.

KANSAS CITY, August 25.—Marian Bleakley, the five-year-old incubator baby of St. Louis World's Fair fame, who was kidnapped at Topeka last Saturday from his mother, Mrs. J. J. Bleakley, was to-day placed temporarily in the custody of the clerk of the Juvenile Court at Kansas City. A writ to this effect was given here this forenoon by Judge E. E. Porterfield in the Circuit Court.

There were two habeas corpus proceedings on the docket to-day, both brought by Mrs. James C. Barclay, of Buffalo, N. Y., the foster-mother of the child, to prevent herself and J. R. Gentry from being returned to Topeka for trial. The second sought to prevent Baby Marian from being returned to the custody of Mrs. Bleakley, who the State Supreme Court has declared is the legal mother.

To-day's proceedings, though brief, were fraught with much interest, and were participated in by the greatly-sought child and the two women who have made so strenuous a fight for her possession.

Agreement Reached.
By agreement, the habeas corpus proceedings in the case of Mrs. Barclay and Gentry to prevent their being returned to Topeka for trial was postponed until Monday next, until after the hearing at Jefferson City before Governor Hiley.

When the proceedings in the separate habeas corpus to prevent Marian Bleakley from being returned to the custody of her mother at Topeka came up, Frank Walsh, attorney for Mrs. Bleakley, made an answer in which it was contended that Judge Porterfield's division of the Circuit Court lacked jurisdiction.

Arguments of this case were then begun. Mr. Walsh declared that he was not a party to the case, and that the State Supreme Court had decided that Mrs. Bleakley was the mother of the baby, the lower court had no right to interfere.

The case also in turn was finally postponed until Monday afternoon next, as stated, to be heard after the Barclay-Gentry case is disposed of. In the meantime the court issued the order remanding Marian Bleakley to the custody of her mother, Mrs. Bleakley.

Says Mother Is an Actress.
Marian Bleakley, the incubator baby, is not the child of Mrs. J. J. Bleakley, of Topeka, according to Mrs. Stella Barclay, of Buffalo, N. Y., the foster-mother of the child. She said that her mother, Mrs. Barclay, declares is an actress.

Mrs. Barclay, resting under a charge of kidnapping Marian, has said she will fight until she dies to retain possession of the child. One, this morning she said to a reporter from the Kansas Press, "If I thought for one minute there was a drop of Mrs. Bleakley's blood in the child, I would not have her for an instant, but I know to whom she belongs. She was the child of an actress, and I am sure of it."

Interest in the case to-day centered around the hearing in Judge E. E. Porterfield's division of the Criminal Court to prevent Mrs. Barclay, J. M. Gentry and Marian Bleakley from being returned to Kansas.

SPECIAL BALL GAME FOR TAFT

Feature of President's Stay in Chicago on Western Tour.

The day is an open day for the West Side team, a special game has been arranged for between the Cubs and the New York Giants. The President has not yet been contacted.

EDITOR CHANDLER KILLED

He Is Murdered by General Jeffries Because of Newspaper Article.

NEW YORK, August 25.—William M. Chandler, editor of the Panama Press, was killed in Panama yesterday by General Herbert O. Jeffries, who flew to Panama yesterday for the purpose of presenting the petition asking the appointment of Charles L. Page, but it is reported that they found the ground already occupied by those favoring Ernest H. Wells, and retreated in good order across the river, with the intention of recruiting their forces and renewing the attack to-day. It is understood on good authority that they have an engagement with Governor Swann for an audience this morning at 11 o'clock. One of the delegation, when interviewed by a Times-Dispatch reporter last night, seemed unwilling to talk about the matter, but he stated that he did not think the Governor would make any appointment until his return, in September.

Both Well Indorsed.
The claims of which of the two candidates will more strongly appeal to the Governor is a matter of mere speculation. Both candidates are lawyers of ability, and both are strongly backed by men of influence in this city. It is said that the members of the Manchester bar are about evenly divided in their support. The fact that D. L. Foley was an avowed supporter of Mr. Wells before his nomination as Democratic candidate for the Legislature by a very large majority seems to indicate that he is the choice of the majority of the party, though, of course, this presumption is by no means conclusive, as this question was not directly an issue. On the other hand, Mr. Page has always been an ardent supporter of Governor Swann, and he also supported Governor Swann in the recent election, which facts, other things equal, may have their weight with the Governor.

JOHN HURLEY INJURED

CHICAGO, ILL., August 25.—John A. Hurley, one of the best known and one of the most expert telegraphers, was fatally injured at Hammond, Ind., to-day while in the act of boarding a train. Mr. Hurley came to Chicago recently following the failure of a big brokerage house. His family lives at Brooklyn.

Moore Seeks Debate.
LYNCHBURG, VA., August 25.—County Chairman E. C. Carr, of the Republican committee of Campbell county, announced that the Republican campaign in this county of the State will be opened at Lynchburg on September 12, that the opening day of the fall term of the Circuit Court of which time, Thomas C. Lee Moore, United States attorney for the Western District of Virginia, will be the speaker.

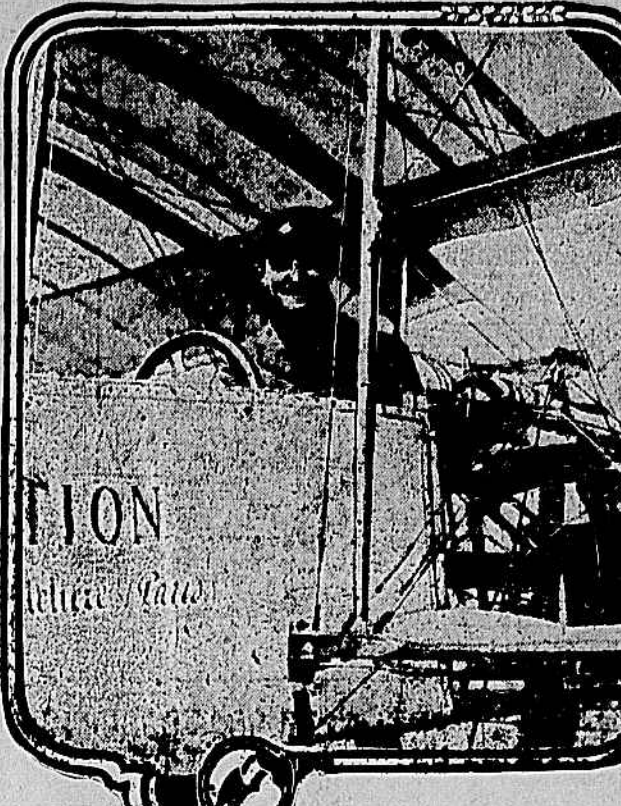

Chairman Carr states that Mr. Moore will be given a debate for a joint debate with a Democratic speaker for a joint occasion.

Wants Davis Cell Preserved.
NEW YORK, N. Y., August 25.—C. J. Jeffries, of Cincinnati, who claims to be a relative of the late President of the Confederacy, visited Port Monroe to-day, conferred with several officers, and later addressed a letter to President Taft, asking that steps be taken toward preserving the cell which was used by Jefferson Davis when he was a prisoner at Fort Monroe.

Mr. Davis says that he hopes to interest the various Confederate organizations in the idea.

Says He Is Innocent.
[Special to The Times-Dispatch.]
ALEXANDRIA, VA., August 25.—Richard Pines, one of the three negroes charged with the murder of Walter P. Schultz, and now awaiting trial at the County Jail, Alexandria, has written a letter to Benjamin Cox, in which he concludes by saying that he is innocent of the crime, and hopes that he will find out the truth about it.

PAULHAN, THE HERO OF AVIATION WEEK

TWO RECORDS SMASHED IN SPEED EXHIBITION

CLEVELAND, OHIO, August 25.—In one of the most marvelous exhibitions of speed of the present racing season, at the Randall Race Track late to-day, Hamburg Belle, the Kentucky mare, not only defeated Uhlman, the New England gelding, in two straight heats in their first trotting match, but lowered her own record and broke two world's records.

Hamburg Belle cut a second and a half from her own best previous mark of 2:01 1-4, and broke the place of 2:02 3-4. Then she broke the world's trotting record by going the first heat in 2:01 1-4. This was followed by a second record-smashing exhibition, when she went the second heat in 2:01 1-2 for two heats, establishing an average of 2:01 1-2 for two heats.

Uhlman was defeated only by a fraction of a second in the first heat. In the second he led to the half-mile post, where he broke.

Hamburg Belle's new record for a mile of 2:01 1-4 takes the place of the former record of 2:03 1-4, held by Crescens. The stallion made the record in a match race with The Abbott at Brighton Beach in August 1901.

Sweet Marie formerly held the record for the fastest two heats trotted, having made miles in 2:04 3-4 and 2:03 1-4 at Syracuse, N. Y., September 12, 1906. Hamburg Belle's time is 2:01 1-2 for 2:01 1-2.

Immediately after the first heat Hamburg Belle was sold to H. M. Hanna, of this city, for \$50,000, by Edward and Joseph Madden, owners of the mare, and sons of John E. Madden, who will permit her to finish her season, including the series of races of two best-in-three between the mare and Uhlman.

The race to-day counts as one of the races, the second will be run at Andover, Mass., September 3, and it is necessary to run a third race the meeting-place will be settled later.

The weather was ideal and the new track lighting fast.

Hamburg Belle got away with a head the advantage of the start. The bay mare drew away from Uhlman until she was a length ahead at the quarter pole. Uhlman sped up in the next quarter, and at the half he was but a neck behind Hamburg Belle, but the mare came home a winner by a head.

In the second heat Hamburg Belle got away a neck ahead, and lengthened her lead to a length in the first quarter, which she made in 30 1-2. Uhlman spurred at the turn but a few feet from the half pole, a quarter boot slipped down, causing him to break. Uhlman came limping home, distanced and defeated.

An agent for E. H. Harriman bought Granette, a green mare, which has worked in 2:12, of Joe Ledo of Goshen, Ind., at the track, for \$40,000. Mr. Harriman will use the mare for driving purposes.

Sweepstakes trotting for records—First, Sister Frances; second, DeWitt. Best time, 2:11 1-2.

Free-for-all pacing; sweepstakes—First, Morning Star; second, Repechance; third, Alice Pointer. Best time, 2:04.

Match race; purse; gate receipts—First, Hamburg Belle; second, Uhlman. Best time, 2:01 1-4.

News of Manchester

Manchester Bureau, Times-Dispatch, No. 1102 Hull Street.

Governor Swann, having returned to Richmond yesterday, the all-absorbing subject of discussion and speculation is now the prospective appointment of a judge to fill the office left vacant by the death of Judge William I. Cioption.

On all sides is heard the desire expressed that the appointment will be made at once, but, as it is understood that the Governor will leave the city again to-day, to be absent some time in September, it is feared that there will be still further delay.

Yesterday a delegation, consisting in part of William H. Owens, chairman; Dr. T. D. Jones, James P. Jones, Bole Rud, Thomas E. Taylor, T. B. Dunford, C. P. Jones and Rev. J. Sydney Peters, called at the Executive Mansion for the purpose of presenting the petition asking the appointment of Charles L. Page, but it is reported that they found the ground already occupied by those favoring Ernest H. Wells, and retreated in good order across the river, with the intention of recruiting their forces and renewing the attack to-day. It is understood on good authority that they have an engagement with Governor Swann for an audience this morning at 11 o'clock. LAWRENCE NAMED TO MANAGE TEAM

[Special to The Times-Dispatch.]
LYNCHBURG, VA., August 25.—The directors of the local baseball association to-day formally named Andy Lawrence manager of the team for the remainder of this season.

Lawrence has been in charge of the team a week. This sets at rest numerous rumors from Richmond and Norfolk as to other probable selections.

PENSIONS FOR SOUTH

Chief Justice Clark Points Out Injustice of Present System.

CHAPEL HILL, N. C., August 25.—The fourteenth annual reunion of the Confederate Veterans of North Carolina was officially opened this morning in the Academy of Music with the welcome to the grizzled soldiers by Mayor Hawkins. Following the response by General Julian S. Carr, commander-in-chief of the veterans, Chief Justice Walter Clarke, of the State Supreme Court, delivered an address of importance on the general subject of justice to the South, declaring that the Federal government should make an equal division of its pension funds to all the soldiers who participated in the civil struggle. For forty years, he said, North Carolina in common with other States, had been paying tribute in millions to the government which went to the pension fund for Union veterans.

The transaction of routine business this afternoon was followed by a round of receptions. To-morrow the veterans will parade and in the afternoon will be guests at a barbecue at Latta Park. The absence of Mrs. Stonewall Jackson, whose health will not permit her participation in the exercises, is a source of great regret to the visitors.

SPANISH ADVANCE IS BEGUN AT LAST

Soldiers Glad That War Has Finally Begun in Earnest.

CANAL PROVES FAILURE

Commander of Alfonso's Forces Wastes No Time in Vain Regrets.

MBILLIA, Tuesday, August 24.—Expert opinion has been justified, as it has been found impossible to cut the Marich Canal in less than a month.

General Marina, commander of the Spanish forces, is not wasting time in vain regrets, and decided to commence the advance, which began to-day, to reach along the sea front in the intense heat. The move, however, appears glad that the long suspense is ended, and that the war has really begun.

They displayed excellent spirits, and are greatly encouraged by the presence among them of the Duke of Saragossa and the Marquis of Valdecarrion, both of whom are serving as privates and are treated in every respect like the men. The Marquis of Valdecarrion traveled direct from Cambridge University to volunteer. The concentration of the whole army will occupy several days, and it is still uncertain when General Marina will start for the front.

The commissariat is in good shape, but the water supply is a serious problem. Two ships for condensing water are hourly expected.

One object of the future to construct the canal will be to limit the amount of artillery accompanying the army, especially quick fire rifles, as it is impossible with the existing means of communication to provide them with sufficient ammunition.

FOR POSTAL BANKS

Taft Will Urge Their Establishment in Message to Congress.

BEVERLY, MASS., August 25.—President Taft indicated in talks with callers to-day that in his message to Congress next December he will strongly urge the establishment of a postal savings bank system. The President realizes that there is strong opposition to such legislation at this time, and while he does not propose to bring Congress on too many matters at once, he will ask that the platform declaration of the Republican party in favor of postal banks be fulfilled as speedily as possible.

Influential members of both the Senate and House are urging that the matter be left over until the Monetary Commission has made its report and enough financial legislation has been disposed of. It has even been said that the relation between the subjects to be dealt with by the Monetary Commission and the postal banks is so close that the two should be handled together.

President Taft believes that several hundreds of millions would be placed at the disposal of the government through postal savings banks. It is suggested that the Government might well be employed in taking up the \$600,000,000 or \$700,000,000 of government two per cent. bonds, which are outstanding and which have given much concern to the Treasury Department. Already the two per cent. bonds are selling below par, and there is fear of further depreciation, in view of three per cent. issues, which have been authorized and which soon may be placed on the market.

The President believes that the postal banks would appeal only to those timid persons who are afraid to trust the ordinary banks, and who would rather get the two per cent. or less interest, which the government would give, than place the money in the regular savings banks, where it would draw from three to four per cent. interest each year.

By placing the interest to be allowed by the postal banks at less than the two per cent. rate, Mr. Taft is convinced that no harm would be done to the ordinary banks of commerce.

President Taft expressed himself again to-day, as he did so often during the campaign of a year ago, as unalterably opposed to a guarantee of bank deposits.

As to the charge of paternalism, reflected in the postal bank idea, President Taft, in stating his position, to-day declared that he thought it rather far-fetched.

To-morrow afternoon the President will have a conference with Senator Aldrich, chairman of the Senate Finance Committee, and Secretary MacVane, of the Treasury Department. The postal banks will have a share in the discussion.

Sleep on, dear mother, thine earthly cares are done,
The mortal pangs are past;
Thou hast won and borne thee home
Beyond this stormy blast.

Why should we linger to weep around
Thee, dear mother, who art gone?
Sorrow shall vex her no more;
Never a shadow of trouble or gloom
Reaches your heavenly shore.

There with the glorified spirits to reign
Through the bright ages above,
Free from all sorrow, all sickness
And pain—
Resting in heavenly love.

Dear mother, we'll weep no more,
Your sufferings are past;
The mansion that's prepared for you,
You've reached at last.

Forget thee! Oh, when life shall
To thrill this heart of mine;
But not till then can I forget
One look or tone of thine.

Oh, no! it mingles with the sound
Of everything I hear,
And think ye that I can forget
How I loved you so dear?

Forget thee! It is a bitter word—
To think of thee so unkindly;
Forgetfulness is not with life,
But with the silent dead.

I then may cease to think of thee,
As earthly mortals do,
But oh, we'll meet, I trust, in heaven,
With hearts unchanged and true.

Smooth the braids of her silken hair
On her queenly brow with tender
care;
Gather the robe in a final fold
Around the form that will not grow
colder.

Lay her bosom, pure as snow,
The fairest, sweetest flowers that
grow;
Kiss her and leave our hearts' desire
In dreamless sleep mother sleeps to-night.

A shadowy gleam of light liss
Around the lids of her slumberless
eyes,
And her lips are closed as in fond
delay.
Of the loving words she had to say,
But her gentle heart forgot to beat,
And from dainty hands her feet
She is strangely quiet, cold and
white—
Life's fever o'er, she sleeps to-night.

Put by her work and her empty
chair,
Fold the garments she used to
wear,
Let down the curtains and close the
door.
She has need the garish light no
more.
For the task assigned her under the
sun
Is finished now, the guerdon won,
Tenderly kiss her and put out the
light,
And leave her alone—she will sleep
to-night.
